

English Schools Combined Events Championships, 16 & 17 September 2017 at Boston

ACE had two athletes at the English Schools Combined Events Championships that took place in Boston on 16 & 17 September.

Will took part in the Pentathlon and Toby in the Octathlon. Both had earned their place having achieved great performances in both the Somerset CE Champs and the SW CE Champs.

The Somerset boys team achieved 3rd place overall in the pentathlon.

Both Will and Toby produced pb's in some of their events in challenging conditions.

ACE is pleased to have helped them to their place in the Championships and very proud of their achievements. Well done both – all those years of hard work have paid off!
